

Dear Resurrection Families,

We will again this year compile a Resurrection directory for school families. Please read the following information carefully. If you wish to be included in the school directory, complete the information below. Students will be in alphabetical order according to the student's last name, and will include his/her address and phone number, as well as the names of the parents living at that address. Non-custodial parent information will be included if it is added below.

This directory will be your source of information to contact classmates and issue birthday invitations in lieu of contacting the school office for this information. Please do not ask for information on families not listed as they have chosen not to have their information available to the school community.

Please fill in the information listed below. Please be sure to add your telephone number, family email address, and student(s) name. Please write in a manner most readable by others.

Please return this form by Monday, September 13, 2010. If we do not receive it by this date, you will not be included in the directory. Thank you for your assistance.
